**At Jeté! Exploring Dance we are dedicated to providing a safe and regulated Studio as we open for 2022 during the Covid-19 pandemic.**

**The safety of our students, families and staff is our main priority and our procedures and requirements have been developed in line with the Victorian Government advice and guidelines.**

---

**Please read the important information below to enable us to continue to operate as safely as possible for our dancers and staff:**

Face masks must be worn indoors for anyone 9 years and older but can be removed when participating in physical activities

QR Codes are displayed at all Studios and a check-in / sign-in is mandatory for 18 years and older

Attendees 18 years and older must show proof of vaccination upon sign in

Density quotients do not currently apply to physical recreation facilities, however social distancing will be maintained in all classes

Students **MUST NOT** come to class if they are unwell or have had contact with a known or suspected case of Covid-19

Parents/carers must notify Jeté! Exploring Dance in the event that their child returns a positive Covid-19 test and they must not return to the Studio until relevant isolation period has been completed

Punctual drop-off & pick-up only at the Studio by one parent/carer so to avoid students needing to stay in waiting areas (no parents in waiting area, except Kinder Dance)

Any parent/carer entering the building or attending our events will be required to be fully vaccinated and provide evidence accordingly

Please sanitise hands upon entry and exiting the Studio

**Please adhere to these strict guidelines to keep everyone safe.  
If you have any questions please feel free to get in touch.**

**Thank you  
Miss Lauren & the Jeté! Team**
